Dedication

Through our high school years our class has witnessed the dedication of many yearbooks, and each time another yearbook was dedicated we couldn't help asking ourselves "who will we choose?" Well, now we are the seniors and we have chosen. Looking back it was not a difficult choice for us to make. First, we asked ourselves who had helped us the most as a class and as individuals. We found one person who stood out among all others. This individual was never too busy to give up his time to help us with whatever problem we had. Secondly, we looked back at all the good times our class had shared and each time that same person was always there, whether it be working on a homecoming float at Gilbert's at 3:30 in the morning, cutting trees in the woods for 'Tara' or borrowing goldfish for the prom. Therefore, we, the Class of 1970, proudly and with deep sincerity and appreciation dedicate our yearbook to Mr. Marlin N. Kenee, Jr., our longtime friend and advisor.

CONGRATULATIONS TO THE CLASS OF 1970

Graduation is the attainment of one of life's most important goals bringing with it the commitment to be a productive member of the adult society. Youth power is the greatest single resource this community or any community possesses.

Schools are for the creation and exchange of ideas. An education should provide the student with the critical process of discovery. He should discover how he fits into the scheme of things, especially the values by which he shall choose to live. The role of the school is to serve as a laboratory thru which a student may test his values so that they may be better applied to the society in which he lives. It means acquiring the ability to criticize society and, if necessary to change it within the framework of a democratic government.

To many in the adult world, youth power represents a challenge to authority. It symbolizes the reprehensible qualities attributed to youth and their constant controversy with the establishment.

However, we need not fear honest difference of opinion. In the critical process of discovery, difference of opinion and the means of dealing with it, is vital, not only in our school life; but also in the solution of problems in later years. The world you are entering is not an easy one. There are more serious problems evident now than ever before.

As you reflect upon your high school years, may it be said that you have acquired a better understanding of how to best attack these problems and seek their solution.

Best wishes to the Class of 1970.

Class Poem

Twelve years ago, we were children then,
Being taught, and yes, being led;
We began a trek into learning
Bringing us maturity, it's said.

We picked up morsels of knowledge there
And kept them stored safely away.
We treasured them as we'd have treasured
Colored pebbles among the dull grey.

On the bookshelves of our learning minds,
We've stored memories through the years
Of victories, red roses, first loves,
And remembrances of falling tears.

Now our old friends are lost in the past;
It's very sad, but very true.
They will be replaced by still others,
Personalities different and new.

We've found ourselves much more mature now
We've gained from each new endeavor.
The jocund memories gained at West York
Are bound to be with us forever.

We leave West York to follow a path
Of which West York was a great part.
As the years find us reaching our goals,
West York will remain in each heart.

Class History

It was September 1964. We thought "yea finally we've made it." Big Grown-up Seventh graders. High School! WOW!!! Only the second day when the Seniors walked in did we realize how small we were. Our Seventh grade year was a good one even though it started off with a tragedy. We lost the first member of our class with the death of Bradley Paup that September. We were also introduced that year to "Hola Paco, Como esta' Usted?" and learned to have fun and play games while in Science class with Curvin.

In the middle of our Eighth grade year a strange thing happened. One day we packed up our books in a paper bag and they came to take us away. We found out then we were to become the "big wheels" of the Junior High School. We, like many other classes before were blessed with that certain reading teacher who had the hots for "Dr. Spello." The athletes of our class proved themselves by bringing home the Junior High School Championship Football Trophy which was later to be the inspiration for these same great guys in our class to go on and become a part of West York's longest winning streak in our football history!

The sad day finally came when we had to say good-by to our authority and once again become the "chips" of the school. Our Ninth grade year came in with a bang while we endured the mockery of the upperclassmen. This was the year when we were reminded to "go see Pennsylania, people."

Our Tenth year started off as a success right away with the addition of the two people who were to prove to be the inspiration and guidance of our many class projects. Mrs. Jones and Mr. Kenee were the teachers who shaped our class's successes as our class advisors. This was also the year when we first started to compete with the big shots of the school. Our first annual Friday night homecoming party at Gilbert's took place this year. Even though our efforts didn't get us first place, we did get second place. Tenth grade also saw our first championship football team since who knows when?

A football championship for the second year in a row, a first place class float, and two successful dances; this was our Junior year. This was the year we learned to keep our eyes on the road and not on the mini skirts like a certain Drivers-Ed. teacher. This was the year when we "decked the halls with legs of *HOLLY!*" This was the year when Geometry was checked not only efficiently in the classes but also in the halls as well. This was also the year of the most successful Junior-Senior Prom in West York's history. It was a swinging all night affair at the York Mall, highlighted by a terrific "Knock em down Drag em out" movie. At the end of our Junior year we had a hint of sadness. We learned that one of our class advisors was leaving us. Mrs. Jones had a duty to fulfill elsewhere; however, in the next year we did find another good class advisor in Mrs. Vaughn.

Finally we did make it! If we thought we were cool in Seventh grade, well, you ought to see us now! Homecoming had a new meaning for all of us this year. Pat Myers reigned as our lovely homecoming queen, while we all glorified in the success of our homecoming float, winning first prize for the second year in a row. We still had a great football season even though we didn't win the championship. Much to everyone's surprise, we saw our great coach, Mr. Heckard, step down this year to pave the way so "I swear to God" could take over. We saw two child prodigies come and go. Jeff Stewart and Tim Day left us for bigger and better things.

And so as we leave this part of our life and these friends, even though we know not what may lurk in the future or where time and fate may lead us—we will always remember the good days at West York and hope for even better ones in the future.

Eva

Everyone at West York, and especially the class of '70, was very excited about having a Foreign Exchange Student this year, Eva Ranle. We were all especially delighted when we met Eva, our friend from Sweden. Her cheerful smile and friendly nature will never be forgotten. Her excitement at seeing her first football game and her surprise at finding all Americans so friendly will always be remembered by those who knew her.

So we say goodbye, Eva, sadly but with the happy memories of a great year with a warm, wonderful person.

The class of '70 and all West Yorkers will never forget Eva and the pleasure it was to know her.

Student Council

The Student Council began its year by sponsoring one year in the United States for Eva Ranle, our exchange student from Sweden. Student Council again made Homecoming a memorable event. The dance "Carousel," was truly a night to remember. At Christmas, the student body backed the council by making the wrapping paper project a success. Student Council also was in charge of putting a sandwich machine in the lobby. The officers went to an exchange program at Central and saw how another Student Council operated. Because of all the wonderful things Student Council has done for the student body, it has proved to be a most worth while school organization.

La Memoria Staff

The Yearbook Staff of 1970 tried hard to make this yearbook the best one ever. With the new delivery date being in August, this gave us enough time to include spring sports and activities in this book instead of having a separate supplement section. In January, Yearbook sponsored a successful basketball game between the West York Faculty and the Baltimore Oriole's Baseball Team. The entire staff would like to thank the faculty, the administration, and our advisors, Mr. McCarty and Mr. Ebersole for helping to make this yearbook such a success.

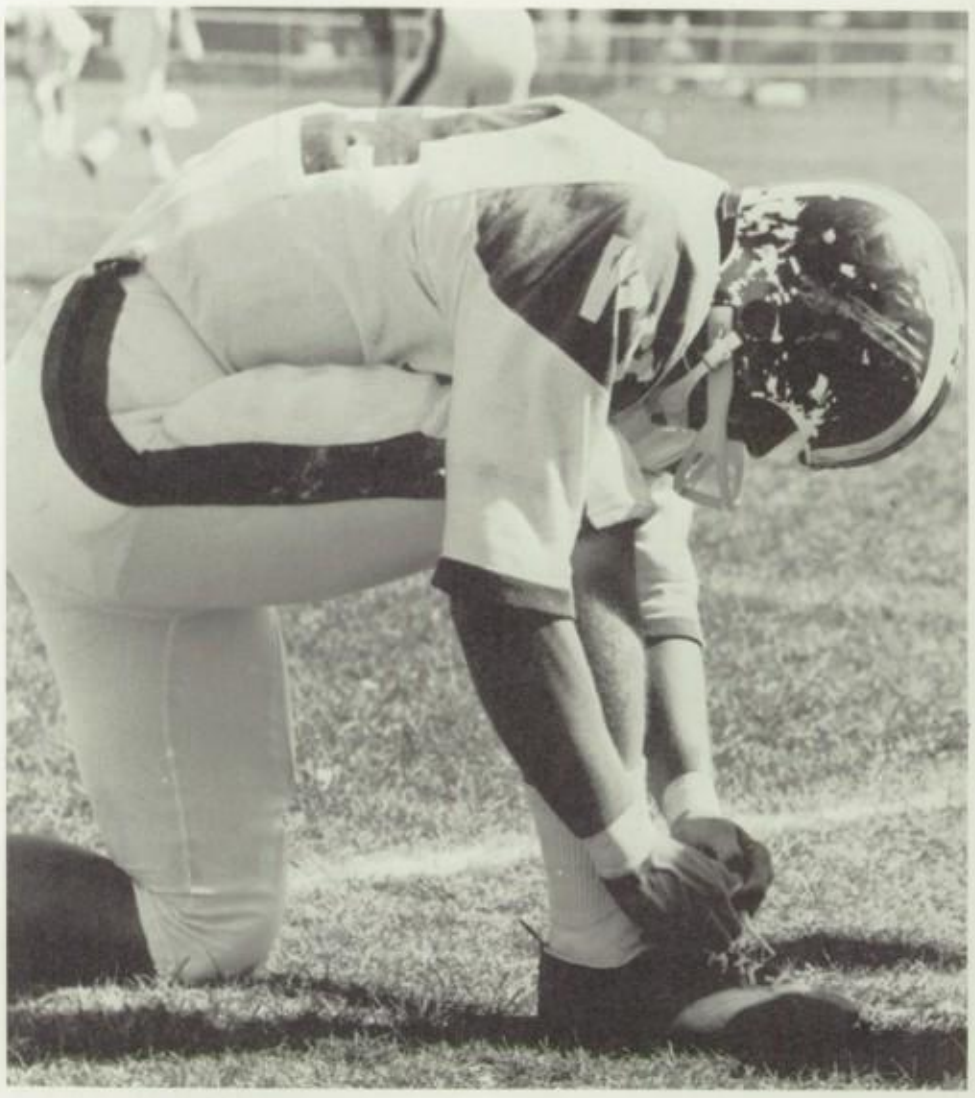
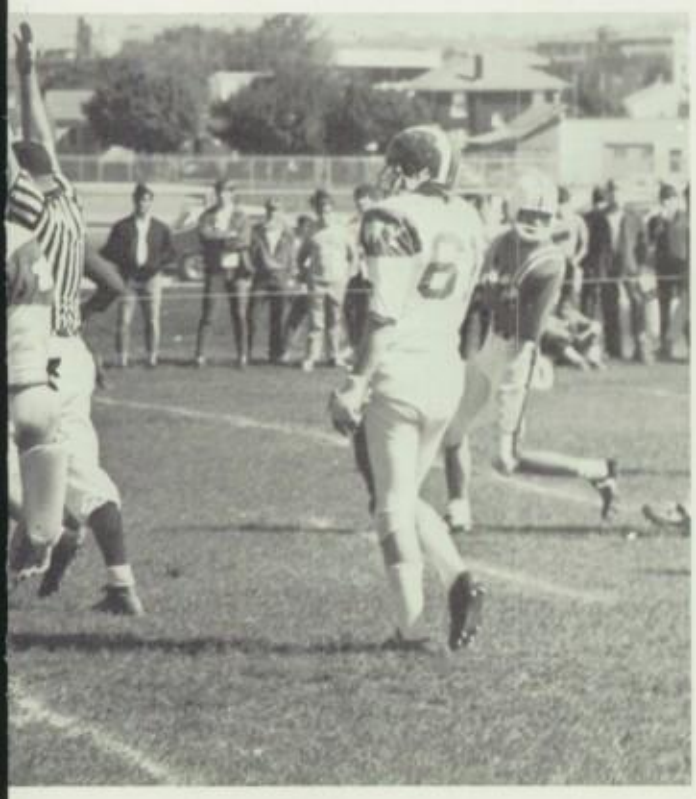
Football

In the fall of the year, before most students even think of returning to school, the great football minds of West York have already begun working hard. This year we had forty team members start another rewarding football season, led by the fine West York coaching staff of Mr. Heckard, Mr. Baublitz, Mr. Blake and Mr. Sechrist. When our football team met again last August with the second longest winning streak in the state to their credit, "team spirit" as well as "student spirit" was higher than ever. We started the season with our first win by defeating York Catholic. A week later our winning streak was ended when York Suburban slid by our defense and had a 6-0 win against our mighty Bulldogs. However, spirit was not lost. Our great Bulldogs came back to end the season with a 6-win, 4-loss record.





MR. HECKARD

As this season was the end of an era for our football team, it was also the end of another era at West York. In Mr. Heckard we found a strong coach who was willing to give up his time and energy to make our football team great. However, there comes a time in every coach's life when he must step down and resign his post to another. The students at West York greatly appreciate the many years Mr. Heckard has given to the football team, and the boys on the team from the "Class of 70" are especially honored to have been the last senior players he coached.

MARK BRENNEMAN

All-State Champion??

You bet!! Determination, drive, spirit, and energy. These words may be used to describe Senior Football player, Mark Brenneman. He made the Big 33 this year for West York and his impressive football ability promises him an even brighter future!

Golf

WAY TO GO, CHAMPS!!! This year West York's almighty golf team "drove" their way to victory by capturing the YCIAA league title. Determination, skill, and enthusiasm paved the way for their 11-win, 0-loss, 1-tie record. With Terry Kinneman and Dennis Lankford being the only two senior members on the team, it looks like we'll have another great season next year.

Cross Country

Our cross country team worked hard this year. Although they weren't #1, they made the champs fight to stay in first place. They compiled a great record, considering Spring Grove's domination in this field. One of our finest runners, Terry Anthony, placed 2nd in the District 3 Run and went on to the PIAA State Run. Their record of 7 wins, 1 loss, and 1 tie made this a season to remember.

Tennis

This year's tennis team, coached by Mr. Mark Swartz, recorded another winning season. Losing only to York Suburban, the West York netmen finished the year in second place. Our team also distinguished themselves in Districts as Jerry Beck advanced to the finals. With most of our team returning next year, West York is looking forward to more great seasons in the future.

At the beginning of the season West York was considered a major contender for the Western Division title. Although this goal was never attained, a strong desire and a will to win could be seen throughout the season. Despite their lack of height, our Bulldogs displayed outstanding ability against the taller teams. More than once, Coach Bupp rallied the Bulldogs from behind with that last minute driving effort to win the game.

J.V. Basketball

Congratulations to the guys on the J. V. basketball squad who once again brought honor to West York by winning the Western Division Title for the third year in a row!

Their skill and will to win was unmatched by any other team in the league. With all their ability and enthusiasm, they're likely to meet with the same success next year.

Wrestling

Under the coaching of Mr. John Toggas, this year's Bulldog wrestling team compiled an impressive season record of 10 wins, 3 losses and 1 tie. The Bulldog co-captains, Brian Kuntz and Gary Bates, both brought honors to West York at the sectional meet. Brian won his weight's championship while Gary finished as a runner-up. Under the leadership of these three individuals, the Bulldog grapplers once again had another successful season.

"We're Coming Back!" Those are the words that can best describe the attitude in the West York dugout at mid-season. Plagued with losses early in the year, Coach Maynard Prall rallied the team to finish their season with a 6-6-0 record that placed the Bulldogs fifth in the Western Division of the YCIAA. Both the team and the coaches should be commended on their final record.

Exciting and heartbreaking can best describe the 1970 track season at West York. Early in the year the Bulldogs distinguished themselves by capturing first place in the Class A competition at the Shippensburg Relays. Under the coaching of Mr. Reed Prowell, the team continued their winning drive which won them the YCIAA Western Division title. Despite the heartbreak of losing the county title to York Suburban, the Bulldogs renewed their drive and determination for districts. At districts the highlight of the team was the first place won by the two mile relay team composed of Rod Anderson, Bob Zimmerman, Terry Anthony and Larry Becker. Later at the PIAA State Meet this relay team placed fourth. Congratulations to the entire track team and their coaches for a fine season.

Special Events

Ecstatic, elated, terrified, breathless. These words may be used to describe the feeling seven girls felt on October third. This was the first day of the Homecoming Weekend. These girls: Connie Gilbert, Ruth Anne Gorham, Joy Leatherman, Pat Myers, Eva Ranle (our exchange student), Delores Schauren, and Sue Walker were presented to the student body who was later to choose the queen.

At three o'clock the auditorium lights were lowered as each girl was escorted by a football player onto the stage. All were attired in formals and each wore a smile of expectation and excitement. The moment came and the eternity of waiting ended as Dave Hoffman proclaimed Pat Myers the 1969 Homecoming Queen. She was crowned by Jackie Wirick amid a flood of tears, red roses, and applause.

The queen and her court were publicly introduced at the football game Saturday afternoon. The senior class float won first prize with the theme, "Drown the Rockets," and the team fought to victory defeating Spring Grove.

The weekend ended with the queen reigning over the dance entitled "Carousel." Flowers, kisses, floats, bonfires, and endless smiles are forever engraved in the minds of everyone as this year comes to an end.

"A Time For Us"

The time—frozen, the place—the Sword and Shield, the event—the "Capulet Ball," and the date—December 29, 1969. The theme for this year's Senior Dinner Dance, taken from the movie "Romeo and Juliet," created an enchanting and mystical atmosphere. Smiles, laughter, flowers, and beautiful gowns were on the agenda for the evening. The music of the Dave Winter Combo added the finishing touch to that lovely winter evening, which will be well remembered by all.
